Dear Mr. Greenagel:

On behalf of the Department of Children and Families and Rutgers University School of Social Work, we wish to thank you for presenting at the Adolescent Conference: Voices United for Youth—Visions of a Better Tomorrow on May 8, 2014.

We greatly appreciate the time that you took out of your busy schedule to join us and thank you for sharing your expertise with the Child Welfare staff, Resource Parents and young people in attendance. We consider the conference to have been a very successful event, and this is due in large part to the wonderful presenters that volunteered to share their time, energy, and insight.

Attached, you will find the results of the evaluations collected for your workshop(s).

We hope that you enjoyed participating in the conference, and welcome your involvement in future events.

Again, many thanks for your time and effort.

Sincerely,
