22	Very informative. Would have loved to have listened to him speak for a longer amount of time on this topic.	Jan 9, 2014 5:56 AM
23	The presentation and content was very good. There are many things that I can use in my HS classroom. But the speaker was very vulgar and I did not appreciate the fact that he cursed my God. That was extremely offensive. He let his liberal views poke through by taking a shot at gun owners by assuming that owners are less educated and would not be in this audience. Finally, he kept talking about race. I believe that drugs do not discriminate on the basis of race. Race should not be a factor.	Jan 9, 2014 5:55 AM

66	Great	Jan 8, 2014 11:59 AM		
67	Large volume of info to cover in short time.	Jan 8, 2014 11:57 AM		
68	Sense of humor. A bit offensive with comments having little to do with the workshop. Save personal thoughts and stick to the presentation and material. Had a lot of good info to offer but the comments and (jokes) pretty poor and in poor taste.	Jan 8, 2014 11:57 AM		
69	Needs to be more professional and less crude. Information was value but presentation lacked positive manner in communicating. Even with the topic, the presentation could've been better.	Jan 8, 2014 11:41 AM		
70	Language was an issue - using vulgar language is not professional at all!	Jan 8, 2014 11:39 AM
